Places limited to 10 children (4-8 year olds) per workshop – and they must be accompanied. Stroll through the allotments and pick up some tips from a horticulturist. Sample delights on offer from the Farmers' Market. Relax for a coffee at the seasonal green house café & view hand-crafted garden furniture on sale. Play in the toddler play park. Enjoy the music of the Mayfield Brass Band.

For the more intrigued – tour the converted convent and learn about its present use.
